Unity Church belongs to each of us. We love what it stands for in our lives. We are living in difficult financial times, which is precisely why we cannot afford to leave anyone out of this canvass. Not everyone is able to give in equal measure. We ask you to be generous with our church that is so very generous with us and with the world. This is a pledge that gives back a hundred-fold.

In order to balance our 2010 budget, we need our pledge base to grow by 8%. Please consider a 5% to 10% increase in your pledge. (See the 2010 Giving Guide on the back of this form.)

A pledge of 2.5% or more of your income represents a “fair share” pledge to the church. This level of pledge sustains and builds the church’s current programs and our dreams for the future. We encourage you to make a pledge that is a true expression of your commitment to the church – a pledge that is significant, meaningful and generous.

In order to balance our 2010 budget, we need our pledge base to grow by 8%. Please consider a 5% to 10% increase in your pledge.
