

Boston Pilgrimage Itinerary 2022

Wednesday, October 19th through Monday the 24th

Why “Pilgrimage”

The goal of the Unity Junior class trip is to have a fun, bonding experience with friends from Coming of Age and RE; we also undertake this trip in order become energized by and recommitted to our Unitarian/Universalist faith. By walking in the steps of American History, and revisiting the extraordinary thinkers and theologians of the early Unitarian and Universalist church, youth get to feel the depth and promise of this faith. They will be changed by this experience, and will have a stronger understanding of what it has meant, and what it will mean to carry UU principles into the world as adults.

Logistics and Costs

- We will travel by plane. We will likely leave Wednesday afternoon and return by midday Monday, it will depend on the cheapest airfare.
- We will lodge at youth hostels in Boston. Dormitory-style accommodations will include bed, shared toilet and shower facilities and breakfast.

- The cost of the trip is heavily dependent on the number of youth who travel. The costs below assume 12 or more participating youth and 3 adult chaperones.
- **\$300 down Payment in July; additional \$300 by September 30th**
- ESTIMATED cost of 5-day, 4 or 5 night trip, including airfare, ground transportation, dining, and all admissions = **approximately \$1300**

Fundraising and the Share System

- You will have the opportunity to raise money to cover much of the cost of this trip through donut sales, cookie sales, wreath sales and the spring book sale.
- Money raised by the group will be distributed by *shares*. You earn one share (\$12) by working one hour at a church-sponsored fundraising event.
- Unity bills families in the spring following the trip. Families can tell us they want to leave their invoice open in order to allow youth to continue volunteering for shares.

Ground Rules

There are a few ground rules that we will have for the trip. They are for your safety and well-being (and the sanity of everyone involved).

These are not negotiable:

- The group stays together pretty much always. Everyone attends everything and remains involved.
- When we decide to split up as a group during the day, you will be expected to go in pairs at a minimum, with a clear statement of your destination/activity, and meet at the time indicated.
- No one is allowed to go anywhere after dark without the company of one of the chaperones.
- Ask questions!! This is your trip to learn about your UU heritage – take advantage of the experience.
- At the end of the day each night we will do a check-in, talk about the next day and have a few moments of discussion.
- There are a few serious issues that will result in your being sent home at your family's expense: involvement in any illegal activities, including the use of tobacco, alcohol or other drugs; threats or violent actions; or actions that seriously endanger you or anyone in the group.
